Harold Varmus, President  
Memorial Sloan-Kettering Cancer Center  
1275 York Avenue  
New York, NY 10021

Dear Dr. Varmus,

I thought you might like to have these photos, shot at the First Annual NYC Pro Cycle Championship in August, 2002, when you competed against Lance Armstrong and I, as a news photographer, covered the event for the New York Post.

Respectfully,

PS: I am a multiple myeloma survivor and may well owe my life, however indirectly, to your research labors.
